

VIDEO PROJECT GUIDELINES

Video Topics:

Choose **three or four** topics to include in your video project:

1. I am your nurse
2. Handover
3. Wound care
4. Pre and Post-operative care
5. Drug Administration
6. Giving Advice
7. Palliative Care
8. Breaking Bad News

Member Participation:

- All members in your team should have a **part** in the video. (indicate it in the video)
- All members in your team should have a **role** in the preparation of the video. (indicate it in the video)

Video Content:

- All video projects produced by the English for Nursing students must be **content appropriate** and **approved** in advance by the instructor.
 - A good guideline to follow is DO NOT produce a video that you would not want the school administration, your parents, or law enforcement to view. (NO violence, drugs, sexual content, hate material)
 - If you're not sure if your content is appropriate, either don't use it or see the instructor before filming.
- The video should include names of all members (Cast of Characters) and the roles in preparing for the video.
- The video should also include situation of each scene and final message at the end of each scene.
- The video should be within 5 (minimum) to 8 minutes (maximum).

Video Recording

- Students must stay on the UPH Campus at all times when filming video unless special arrangements have been made in advance.
- Recording may not interfere with any classes or required dorm/UPH-FoN/MYC programs that are in session.
- Students must follow an approved written script, on them at all times, of what they are filming.
- No student may be intentionally injured or placed in danger during the filming of Video Projects.
